## Immigrant Entrepreneurship Panel

Are you looking for information on the supports available to Immigrant Entrepreneurs? Join us along with our valued partners [Alberta Women Entrepreneurs](#) & [Futrpreneur](#) for a discussion on their organizations and what supports they can provide for Immigrant Entrepreneurs. You'll also hear from two Immigrant Entrepreneurs who will share their experiences, and offer advice on what you can expect as your business grows.

## Q: I am an immigrant interested in starting a business in Alberta. Where can I find support and guidance?

**A:** Business Link is here to support you! You can receive 1:1 support from one of our small business Strategists via [live chat](#), [email](#), or toll free at [1-800-272-9675](#) from anywhere in Alberta. Our team is available Monday - Friday from 8:30am-4:30pm, and the resources on our [website](#) are accessible 24/7.

If you are an immigrant residing in rural Alberta, you can also connect with a small business specialist near you through the [Community Futures Network of Alberta](#).

## Featured Partner

[Tecconnect](#) has always ensured that their programs and services are accessible and welcoming to newcomers and immigrant entrepreneurs. The Tecconnect Entrepreneur Program enables business owners, aspiring entrepreneurs and community members with business ideas to best connect with resources and opportunities in various networks through complimentary one-to-one business advisory and general workshop offerings. The team of Tecconnect Business Advisors offers a wide-variety of expertise to those enrolled in the program, and you can request 1 hour appointments in various formats to have confidential meetings to discuss the support you might need.
