Futurpreneur Announces New Funding

Futurpreneur Canada recently launched the **Black Entrepreneur Startup Program** in partnership with RBC and BDC. The program provides mentorship and resources along with access to more inclusive loan financing. This tailored version of its core Startup Program increases its support of aspiring, young Black entrepreneurs launching successful, new businesses in communities across Canada.

For immigrant entrepreneurs that do not fall within this category looking for funding, Futurpreneur Canada offers **Newcomer** financing in partnership with BDC.
